

Bazaar Volunteer Sign-ups

On the RMBS website, Volunteer Sign-ups are available on the 2018 Bead Bazaar tab. We have more than 100 volunteer positions that need to be filled to ensure that the Bazaar runs smoothly. After signing up for your classes, please take a look at where you can help out before/after your classes. We have over 200 active members – “many hands make light work!”

Volunteer for the Bead Bazaar

In order to make our annual Bead Bazaar a success, **we need you!**

We ask that our volunteers are also RMBS members – so the volunteer pages will require you to first login using your RMBS membership information.

If you are not already signed in, you will be asked to do so – and there is an option for a reminder for your password.

- [Friday Volunteers](#)
- [Saturday Volunteers](#)
- [Sunday Volunteers](#)

Active members only can access the registration page. You will need your Id (email address) and password to log into the page. Your password is rmbs plus the house number of your address on file. For example: my initial password would be: rmbs3417. Please change your password to something easy for you to remember the first time you log in.

1. Select the day that you want to view available positions.

General Set-up 8:30am to 11:30am

Assists in whatever capacity Chairperson requires for setup, including helping vendors and Mart personnel, running errands etc.

Sign me up!

Vendor Reception 8am to 6pm

Meets and greets vendors, distributes vendor packet, directs vendors to booth space.

Sign me up!

2. Each available position will be displayed, including the time frame and a brief description of what you will be doing. You may sign up for multiple positions on the same day, but the system will **not** check for overlapping times. Please review your list carefully before accepting it.
3. You need to sign up for each day separately, but you remain logged in until you sign out, so it's quick and easy to do.
4. You will receive an email confirmation for each day that you signed up for, listing which items and times you selected.
