**Payment and service is per device.**

- 1. In your device's wireless settings choose the *dmmwireless* network.\***
- 2. Launch your internet browser (Internet Explorer, Firefox, Safari)**  
If the payment page does not appear, open Google or Yahoo, and you will be redirected to the DMM Wireless payment page.  
On the login page, click on **START HERE**
- 3. Select the plan you would like (*hour, day, week*) and enter quantity desired. Click **SUBMIT**. *Payment and Service is per device*. Service starts at the time of purchase and is per 24 hours. For example, if you choose a 2 day package and pay on Friday at 1:12 pm the service will end on Sunday at 1:12 pm.**
- 4. Click **PURCHASE** and fill out billing information, then click **SUBMIT**. *You should now be connected*. If your device goes into *sleep mode*, it may disconnect service. Simply open your internet browser and the device will reconnect.**

\* *SSID (Service Set Identifier) will be set to dmmwireless.*
