Limited Classes

Saturday:

April 29

10am - 6pm

Sunday:

April 30

10am - 5pm

DENVER MART - NE CORNER OF I-25 & 58TH AVE
OPEN TO THE PUBLIC

REGISTRATION INFORMATION

All classes offered are listed in the following pages. Each listing includes a project photo, skill level, prerequisites, class and kit fees, techniques, description, and materials not included in the kit.

Notes:

- You do not need to be a Rocky Mountain Bead Society member to attend the Bazaar or take classes. However, members do not pay the \$15 Registration Fee for classes taken at the Bazaar, which is 50% of the annual membership fee! This fee is per student not per class and is does not include admission into the show.
- Some classes have age limits and/or prerequisites; please check class information online prior to registration.
- Classes with less than the minimum number of students as of April 13th, will be cancelled and a full refund issued.

All classes have both a class fee and a kit fee. The class fee will be paid during the online registration process. The kit fee is paid directly to the instructor during class. An ATM is available near the registration desks in the front of the Mart.

Class descriptions specify a level of experience necessary to successfully keep up with the class and complete the project. To ensure both student and instructor satisfaction, please read the following descriptions carefully to determine if your skill set matches the class requirements prior to registering for a class. Experience levels are listed after the class number starting on page 8.

If you are not comfortable with a specific stitch used, check out our Beading for Rookies classes on page 22.

- All Levels (AL): No experience needed.
- Advanced Beginner (AB): Has experience in similar types of work.
- Intermediate (IN): Has prior experience and is ready to learn variations.
- Advanced (AV): Has completed several projects and is ready for a challenge.

Class descriptions also include a detailed list of materials and tools that students need to bring to the classroom. Generally, students bring the following: a bead mat, needles, thread, scissors, pliers, cutters, a task light, and extension cord (if available).

Food is available in the rear of the Mart, including a coffee cart.

Parking is free at the Mart; valet parking is not available. Motorized carts are not available to rent at the Mart.

Arrive 30 minutes prior to the start of your class to allow adequate time for check-in, locating your classroom, and settling in. You will only need to check-in once, regardless of how many classes you are taking.

FRIDAY – BEAD BAZAAR CLASSES

INSTRUCTOR: GAIL CROSMAN-MOORE
CLASS #28-01 (AL) Friday 4/28 1:00 – 5:00

SKILL LEVEL: All levels
CLASS FEE: \$100.00
TECHNIQUE: Mold Making, casting, coloring using alcohol inks and gilders paste and finishing.

PREREQUISITES: None
KIT FEE: \$30.00 (mandatory)

DESCRIPTION: Students will explore mold making, casting, and finishing pieces using the amazing Paper clay. The techniques used are the same ones that Gail uses for metal clay, resin, polymer and paper.

ADDITIONAL MATERIALS NEEDED: Objects for molding.

ONE O ONE BRACELET

INSTRUCTOR: ADELE KIMPELL
CLASS #28-02 (AL) Friday 4/28 2:00 – 5:00

SKILL LEVEL: All Levels
CLASS FEE: \$30.00
TECHNIQUE: Right Angle Weave

PREREQUISITES: None
KIT FEE: \$45.00 (mandatory)

DESCRIPTION: Combine One-beads and O-beads in this unique design to create the three strand One-O-One Bracelet. Worked in the designer’s very simple adaptation of right-angle weave (RAW), three individual strands are stitched (two strands using One-beads and one strand using O-beads). Complete step-by-step instructions will guide students as they make this dramatic bracelet.

ADDITIONAL MATERIALS NEEDED: Scissors, beading mat, task lamp and magnification (if needed).

FILIGREE FANTASY

INSTRUCTOR: KIEU PHAM GRAY
CLASS #28-03 (IN) Friday 4/28 2:00 – 5:00

SKILL LEVEL: Intermediate
CLASS FEE: \$54.00
TECHNIQUE: Metalwork and Wirework

PREREQUISITES: Must have soldering and wireworking experience
KIT FEE: \$42.00 (mandatory)

DESCRIPTION: Create delicate works of art with filigree. We will bend, twist and turn sterling silver stock to create an intricate pendant. Students will be challenged to put their creativity to action while continuing to fine tune your skills. Pre-requisite, must have soldering experience and wire working experience.

ADDITIONAL MATERIALS NEEDED: Magnifying glasses (MUST), fine tweezers, flush cutters (ultra preferred), fine tip round nose pliers, flat nose pliers, chain nose pliers, awl (fine), needle files

SATURDAY – BEAD BAZAAR CLASSES

INSTRUCTOR: EVA SHERMAN
CLASS #29-01 (AL) Saturday 4/29 9:00 – 4:00pm

SKILL LEVEL: All levels
CLASS FEE: \$120.00
TECHNIQUE: Metalsmithing

PREREQUISITES: Soldering experience helpful but adventurous beginners are welcome.
KIT FEE: \$50.00 (mandatory)

DESCRIPTION: Attach Rings 2 Rings in a random pattern to create a truly one-of-a-kind cuff! Use of positive/negative space as a design element, plus the economy provided by the pre-made jump rings, allows students to create larger pieces without the traditional limitations of cost and weight.

ADDITIONAL MATERIALS NEEDED: Butane torch, butane, solder board, cookie sheet, rind mandrel, rawhide mallet, and pair of chain nose pliers.

INSTRUCTOR: ADELE KIMPELL
CLASS #29-02 (AL) Saturday 4/29 9:00 – 4:00pm

SKILL LEVEL: All Levels
CLASS FEE: \$60.00
TECHNIQUE: Tubular netting

PREREQUISITES: None
KIT FEE: \$48.00 (mandatory)

DESCRIPTION: Combine Toho permanent-finish seed beads with the soft look of Toho Glow-in-the-Dark seed beads. This graceful tubular netting necklace is punctuated with a compelling cascading focal pendant using luminescent suede-gold 6 mm round beads and seed beads. Detailed step by step instructions will guide students as they make this graceful necklace.

ADDITIONAL MATERIALS NEEDED: Scissors, beading mat, task lamp and magnification (if needed).

INSTRUCTOR: KATHY LULI
CLASS #29-03 (AL) Saturday 4/29 9:00 – 4:00pm

SKILL LEVEL: All Levels
CLASS FEE: \$85.00
TECHNIQUE: Embroidery, Peyote stitch

PREREQUISITES: None
KIT FEE: \$50.00 (mandatory)

DESCRIPTION: The jungle green and bright orange fire from the cab is captured in the bead embroidery background. Some sparkle from crystals, shiny copper beads and some pearls are added. Participants will learn several stitches for the background and edging as well as the bezel. An alternate color of Arctic Ice in soft blues and white will be available.

ADDITIONAL MATERIALS NEEDED: #4 Fireline, or OneG, beading needles, E6000 glue, glue stick, beading mat, scissors, and task lamp.
