

**Project Name:** Zayandeh

**Date:** Friday, July 27, 2018

**Duration:** Full Day

**Skill Level:** Intermediate + Must have a working knowledge of CRAW

**Prerequisites:** Ability to work with 15/0 seed beads helpful. Working knowledge of Right Angle Weave.

**Description:**

Beautiful arches created with various size beads in Cubic Right Angle Weave are then embellished with bezeled Chatons and finials of sparkling Swarovski crystals. Continue the CRAW to create a sensual frame that will surround a uniquely bezeled Swarovski stone.

**Students will Learn:**

Comprised of modified CRAW, RAW and netting techniques that will teach you how to incorporate various sizes of seed beads along with a little adjustment in tension to create sensual curves that can then be embellishing in a myriad of ways.

**Project will not be completed in class.**
