

March 2020

Dear RMBS members,

Thank you so much for the wonderful get well card and all of your kind wishes! It lifted my spirits and warmed my heart. If you haven't heard, I fell off a ladder at the end of January and broke my heel bone. Fortunately, the two pieces haven't separated so surgery should not be necessary. I am healing well and am hoping to be able to drive again in mid to late March. Cross your fingers for me! The good news is, I've managed to watch a LOT of TV in the past several weeks. The bad news is, I hate TV now! :-) Thanks again my beady friends!

See you soon!
Diane Kremer

Thank you to everyone who came to our meeting in February! This month our meeting is on March 28th at 10am. Please join us for the Bead Challenge. If you are participating in the bead challenge please drop off your piece between 9:00 and 9:30am. This will give the programs team time to set everything up before members vote.

Gail Crosman Moore classes are on the website and available for sign up. Gail is a talented artist who will teach three different techniques during her visit with us in April. You can learn more about her here: <http://www.gailcrosmanmoore.com/>

Sign up for her classes on our website <https://rockybeads.org/upcoming-society-events/#!event-list>

Please contact the programs team at rmbs.programs@gmail.com if you have any questions.

Two of our members will be teaching classes at the upcoming Colorado Mineral and Fossil Show. See the poster below for more information.
