Volunteer opportunities

MEMBER VOLUNTEERS NEEDED

- 2022 Membership Coordinator
- 2022 Rocky Mountain Jewelry Arts Raffle committee – without volunteers for this committee, we will need other suggestions for fundraising for the RMBS
- 2022 Programs Committee members

BREAKING NEWS!

The Board recently learned that Spirit of Hope where we hold our meetings is not renewing our lease for 2022. We will need to vacate the Church by December 31, 2021. While this is short notice and inconvenient timing, the board is up to the challenge of finding RMBS a new home. We will communicate further as we learn more. If you are willing to help in the search for a new facility (calling and/or visiting community centers, churches, libraries, storage facilities, etc.) to get pricing and other details, please let Diane Kremer know. You can email Diane at rmbsinfo251@gmail.com. With some hard work and a little luck, we hope to find a location that is better than ever before. Thank you.

NOVEMBER PROGRAM: HOLIDAY CELEBRATION

Join us Saturday, November 13, 2021, from 1:00-4:00 p.m. as we kick-off the 2021 holiday season with a celebration. The event will be held in the Church Sanctuary rather than in the Fellowship Hall downstairs, so easier accessibility. If you have not already emailed Diane Kremer to RSVP for the celebration, please do so by emailing her at rmbsinfo251@gmail.com.

We will have refreshments, games, door prizes, and a pendant exchange – bring a pendant and go home with a pendant! And for those members that responded to our recent survey for 2022 preferences, we will be drawing the winner for a fabulous prize! Thank you for participating in the survey.

For the pendant exchange, please bring a handmade pendant to exchange with another member. Your pendant can be made using any technique or medium; be sure to include a chain or neck strap; and bring it simply wrapped in a piece of tissue paper – nothing fancy, no other packaging! Don't forget to include a short note with your pendant so the recipient will know who to thank. You might also include if there is a special component or technique you used, where you found that unique cabochon, what inspired you, a holiday wish, or whatever else you might like to say. We will collect your pendant as you arrive, give you a ticket, have some fun activities for all to participate in, have some door prizes, and then do the pendant exchange. Anyone who brings a pendant for the exchange will go home with one – and it's guaranteed it won't be the pendant you brought! Put your designing caps on and get ready to start off the holiday season with a fun afternoon!
