SEP 12 – Bead In

SEP 26 - Polymer Clay SIG

OCT 3 - TBD

OCT 17 – Trunk Show

OCT 24 – Polymer Clay SIG

NOV 7 – 2026 UFO Challenge Drawing

NOV 28 – Polymer Clay SIG

DEC 5 - Holiday Luncheon

APRIL MEETING – 2nd Saturday due to Easter

Bertha Adamson will be teaching a playdate at our April meeting on tips and tricks for successfully photographing your handcrafted items. I think most of us struggle with this. Bertha suggests bringing one or two pieces that you can use to photograph. Anyone who may have their own mini studio/light box and/or props to use that day is encouraged to bring them.

For those looking for a little sparkle going into the warmer months our beloved Hair Tinsel gal Ashley Garcia will be at the April meeting.

Another great reason to attend the April meeting: read the message from Pat Lucero regarding this month's door prize below.

You should have received a survey request asking for your input about events and activities you would like RMBS to offer. Your input will help us make this the organization you want it to be.

We have a new name for the trunk show. It will now be called **RMBS Bead and Artisan Market**. Along with the name we are working on a new venue, It is a larger location and will be able to host a two-day show. More details as they become available. [We are also in need of a volunteer to head this event.](#)

POLYMER CLAY SIG

The SIG will continue to meet as usual via Zoom on the 4th Saturday of the month and members of the RMBS are welcome to attend. If you

would like to participate in these Zoom meetings, please reach out to Bertha Adamson. The next Zoom meeting will be held on Saturday, March 28th. **Notice there is a date change for the May meeting.** It will be May 30th instead of May 23rd which falls on Memorial weekend. You can go to the Events Calendar on the website for more information about meetings.

MONTHLY DOOR PRIZE MESSAGE

First, I (Pat) would like to thank Mary Hughes, the Glitter Queen, for her amazing donation of Swarovski crystals and pearls. Second, thanks to my helpers for counting and bagging all these beauties!

In April, we will have the first door prize selection of the Swarovski items. Tickets will be \$5.00 each. Cash is preferred, but Square will be available.

Here's what will be in the package:

4mm bicones
6mm bicones
8mm bicones
Pearls (size will vary)
One bag of special shapes

Quantity will be between 1 and 50 on the crystals and one strand on the pearls. As Kevin Costner says in Tin Cup, “you git what you git!” All selections will be random and not color coordinated.

I will probably do these drawings every other month, and I will make sure the information is in the newsletter.

2026 PROGRAMS SCHEDULE

As always if you have any suggestions for topics, playdates, workshops or instructors that you might like to see in 2026, please reach out to Tracy D'Angelo.

Bertha Adamson will be teaching a playdate at our April meeting on tips and tricks for successfully photographing your handcrafted items. I think most of us struggle with this. Bertha suggests bringing one or two pieces that you can use to photograph. Anyone who may have their own mini studio/light box and/or props to use that day is encouraged to bring them.

The Call for Sampler Instructors has gone out so if you are interested in teaching classes be sure to fill out an application. You will find it on the website, on Society Events < Calendar page. These applications will be accepted through April 17th.

Carrie Tahquechi will be teaching a two-day class (or 1.5 starting after the regular meeting) Aug. 1-2. She is still working on what project she will be sharing with us. As you all know it will be terrific whatever it is.

We are working on having a Polymer Clay class in August, dates are not yet confirmed but details will be forthcoming as we progress.

If there is a problem when you think you registered for a class but didn't, please let Bertha know. You should always receive a confirmation email! The most it should take is an hour but, in most cases, just a few minutes. Bertha would need to know how you signed up (on your phone or computer) as well as what web browser was used. You can contact her at webmaster using rockybeads.org.

2026 MINI CHALLENGES

Our first challenge has been released: anything predominantly black, anything predominantly white or anything predominantly black and white. You have until the May meeting to complete this project at which time members will vote on the one they like best.

Any piece submitted for a mini challenge must be completed between the announcement of the theme (Feb 7th) and the meeting (May 2nd) when the pieces are presented for voting by members.

2026 UFO CHALLENGES

Let's clear up some confusion about the UFO's (unfinished objects), USO's (un-started objects), PHD's (partly or half-done objects). These are any items in your stash purchased on or before December 31st of the previous year that you complete between January 1st of the current year up to October 31st of the current year. Please bring these items to the meetings (February – October) to share your beautiful work with everyone. You will be asked to fill out a small slip of paper

regarding the piece. Tracy gathers these slips to make a tally sheet of all the submitted pieces. In November there is a drawing of all the submissions for a cash prize of \$25. There are 3 winners. You may also submit a picture and notification that it is a UFO, your name and whose design it is on the website.

2026 SAMPLER

Do you have a project or technique that you would like to teach to other members? The Sampler will be June 5, 6 and 7, with up to four classes per morning or afternoon session, so submit your application as an instructor now. No technique is too small! Something basic could be a good segue for some of our new members to feel encouraged to join a class. There is always something to learn by taking a class from a new instructor.

SHOWCASE DISPLAY AT LOWRY CONFERENCE CENTER

Don't forget about the showcase display at the Lowry Conference Center. **There is room for more members to share their work in the showcase.** Items can be any medium and can be for sale or display only. **If you have a piece or pieces you'd like to display, please bring them to one of our meetings.**

DON'T FORGET ABOUT THE TOHO PEACE RING PROJECT AND THE STAR HENDY PROJECT

The Star Hendy Project is to create a small, 2.5" 3D peyote star to gift to a family who has lost a baby during pregnancy or at birth. This small piece is to serve as a keepsake that grieving parents can hold onto, a symbol of love that lasts. Each star is a token of remembrance, a heartfelt gesture of love and comfort for families who have lost a baby. These stars are a beautiful reminder, allowing parents to keep them close or display in their homes.

The project started in the UK but we are donating our hearts locally. Sandy Brock will serve as the contact to collect and distribute the hearts. She'll be available at meetings for any assistance with this project. She also has a pattern if you need one. You can print yourself by going to thebeadingcircle.com and look for the star Hendy Project.

I have inserted the Toho Peace Ring flyers at the end of this newsletter so please take a look and join in on the fun. Kristina Amato is overseeing this project. The last day she can accept the rings is at the June meeting so there is time to put them all together.

KING SOOPERS COMMUNITY REWARDS

FREE MONEY!! RMBS receives donations quarterly through the King Soopers Community Rewards program based upon amounts spent at King Soopers by registered participants – you don't have to do anything other than sign up! If you haven't signed up, instructions are here: <https://rockybeads.org/wp-content/uploads/2020/09/FREE-MONEY-FOR-RMBS-1.pdf>.

Something I was not aware of is that the bottom of your receipt shows where your money is going. All this time I thought I had signed up designating RMBS, but it lists nothing. I will be changing this immediately!! So, check your receipt.

MEMBERSHIP RENEWALS & UPDATES

RMBS membership is for one year and renews on the date you first joined (not on the same date for everyone). If unsure when your membership expires you can log in to your profile under Membership to get the date and even to renew before you are notified. This is also how you update your contact information or change your password. (If you are having problems logging in to your account contact Membership or Webmaster.)

HOW TO CONTACT 2026 BOARD MEMBERS, OFFICERS, COMMITTEE CHAIRS AND OTHER

If you need to reach out to a board member, officer or committee chair with any questions or additional information, please go to our website: www.rockybeads.org. Click on "About Us" and "Board Contact" then login to your member account to get email addresses.

Beads for Peace all Over the world Ring

PEACE RING (S · M · L) 700
TOHO CO., LTD.
082-237-5151 <http://www.toho-beads.co.jp>

Steps to Participate

1. Make a PEACE RING!
2. Post your photo on Instagram!
3. Teach it at workshops or sell your creation!
4. Make a donation!

* See below for further details.

PEACE RING Project - Spreading world peace through each bead -

TOHO Beads supplies beads all over the world. People meet and stay connected through our beads. Language is no barrier when it comes to beading. Beaders worldwide instantly spark conversations and become friends through the common interest of beads.

We started this project with the hope of spreading world peace and connecting people all over the world through the PEACE RING project. There are many regions in the world where people are still suffering from war and hunger – regions where children can't even go to school. We hope to make the world a better place where there will be no more war and hunger, food will be safe and accessible, and children can have a proper education.

The word "bead" has its roots in Old English and further back, meaning "to pray."

With the words of our founder, "Your soul in every bead," instilled in all of our employees at TOHO, we make each bead with our soul at the Hiroshima factory, delivering them to you all throughout the world. By spinning each bead with needle and thread, let us work together to spread peace and pray for a safe world full of love for our children. Peace (Beads) for the world!

Designer – Rochelle Peterson is a bead lover. She hopes that her design will make a contribution to world peace.

PEACE RING Project / Contents & How to join

Post on Instagram

After making the PEACE RING with your favorite color, please post a photo on Instagram with the hash tags:

#TOHOPEACERING @toho_beads

* Use the correct hash tags and we will make a donation according to the number of posts with PEACERING, utilizing TOHO Beads.

* Your uploaded photos of PEACE RING may be used for promotional purposes.

Related Products to be Sold by TOHO BEADS

With the thought of "Hiroshima's hope for peace" in mind, we will make products related to the PEACE RING project such as DIY kits and the finished product of the PEACE RING itself. 10% of all profits will be donated toward benefits for world peace.

Event Period: Until we reach World Peace!

Please share your
PEACE RING with us!

Free Pattern - Resale Permitted

This is a free pattern you can use to make one for yourself, create kits, or teach at events and workshops.

We encourage you to donate part of the profit to any world peace organizations you may know.

* When selling a finished piece, please place the PEACE RING logo at the top left hand corner.

* The amount to be donated is determined by you.

Support

We would like to support those who want to participate in this project at TOHO BEADS STYLE Tokyo Gallery t. If you would like to make the PEACE RING or post your photos on Instagram, please feel free to visit our store or contact us with the email below.

CONNECTING PEOPLE
LINK BY LINK
BEAD BY BEAD

MEET ROCHELLE!

TOHO Ambassador &
Spearhead of the Grande
Connection!

PEACE RING PROJECT - GRANDE CONNECTION BEADS FOR PEACE

The official **Grande Connection** will be held **August 6, 2026** at the **Mall of America**. August 6th is the day of Peace in Japan, and it is commemorated every year in Japan to honor Peace and those affected by the bombing of their city.

This event is hosted by the Upper Midwest Bead Society, a non-profit organization open to anyone interested in beads. Their mission is to further the understanding and enjoyment of beads, beadwork and other related techniques and mediums.

TOHO Beads was founded in 1951 on the scorched earth of Hiroshima, TOHO beads has continued to make glass beads to make the world bright and clean.

We truly hope that this event helps to connect and strengthen the bond among beaders and aspiring beaders all around the world to aim for a more peaceful world for everyone.

POST ON INSTAGRAM

After making the PEACE Ring with your favorite color, please post a photo on Instagram with the hashtags:

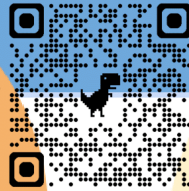

#TOHOPEACERING @toho_beads

#PeaceRingGrandeConnection2026

Use the correct hashtags and TOHO will make a donation according to the number of posts with PEACE RINGS that utilize TOHO Beads.

Your uploaded photos of the PEACE RING may be used for promotional purposes.

Find out more at **UMBS** website

We can't wait to see your **PEACE RINGS!**

The **Grande Connection** event will be when all the Peace Rings are connected together in a **mile long** chain! This will be a monumental milestone in the ongoing Peace Ring Project that was started in 2015 with the design of the Peace Ring. With the goal being, to bring Peace, one gram of beads at a time.

The rings can be made with any stitch! We want beaders of every level to be able to participate. You can use TOHO and all other beads! But please **no elastic string**. Rings can be 1-3 inches in diameter. **Connect the rings** together to create a long chain segment!
